St Patrick’s School Canteen

Our school canteen is a closed canteen where you can order your children’s lunch by writing out orders on brown paper bags and enclosing payment. These bags are collected in the classroom each morning and delivered to the canteen in a plastic tub & cold bag. The canteen operates from 9am-11.20am each weekday. Volunteers are always needed.

(Please see attached form)

Orders need to be separated in HOT & COLD bags, as they are made up & refrigerated/heated until classes come over to collect the orders. NB: Please separate cold food item lunch bags from drinks & iceblocks as per samples. You will receive a new pricelist at the start of 2015.
