Many Australians come together on St Patrick’s Day to celebrate Irish culture and remember St Patrick’s life and achievements. At St Patrick’s School, our community celebrated the day by wearing Green clothes to school, a Mass in the Sacred Heart Church and concluded with the students participating tabloid sports. While the students were engaging in tabloid sports, the P&F Association held its St Patrick’s Day High Tea with over seventy parents and friends attending. A great day enjoyed by all, in the tradition of celebrating St Patrick’s Day!
