TABLE TENNIS

Three days a week during lunch times, Ms Watkins coaches table tennis for our students. The game is sometimes referred to as ping pong. Table tennis is a sport in which two or four students hit a lightweight ball back and forth using table tennis rackets. The game takes place on a hard table divided by a net. Except for the initial serve, players must allow a ball played toward them only one bounce on their side of the table and must return it so that it bounces on the opposite side. Points are scored when a player fails to return the ball within the rules. The game is very fast and demands quick reactions from our students. Enjoy the photos as our students through Club Activities gain a better understanding of the game which in turn develops great team skills. Thank you Ms Watkins for giving your time freely for our students at St Patrick’s!
