FUN IN KINDERGARTEN

Kindergarten had so much fun during book week! We have been busy typing space stories and creating space ships! We had a great time at the book parade and loved reading the award winning stories! We have created our own stories in class about the book parade. Kindergarten has been lucky as we continue to welcome Miss Cirillo to 502. Miss Cirillo will begin her internship this week and will be with us until the end of the term.

once upon a time there was a alien it was on a planet and after he went on the Milky way. By ellen

When I went into space I went on the moon and the moon smell like cheese. By Isabella

I jumped on the moon and saw an alien. By Liam
