Classroom Connections - Week 7

Oh what a week it was! The students were busy exploring numbers, displaying their work to the principal, playing in the playground, students viewing the Art Show, staff chilling out at lunch time, students engaging at the Pony Club, staff counting and disseminating the various Acts of Kindness Cards totalling 122, happy children in the playground and students visiting actor and narrator for children's E-Books, Stig Wemyss at the Griffith Library.

Now that’s the spirit!
