Kindergarten NEWS

Last week Kindergarten was busy preparing and performing for their dance concert. Each class had their own song to learn a dance to.

We have all been so excited to perform on stage at the Regional Theatre for our family and friends. Even our class Teddy’s have come to see us!

This Term, dance has also been a focus for our morning routine. So far we have learnt the Chicken Dance, Hockey Pokey, Macarena and the Nutbush. This week we are learning the Mexican Hat Dance.

We love it when our families come to watch us.

In 505, we have used the dance concert as a stimulus for our writing. Our dance was to the song Everybody wants to be a cat from the movie Aristocats. We wrote recounts about the Monday night concert. We also learnt to draw our own cats and write a description about them.

You can see these displayed in our classroom.

Last Tuesday, Kindergarten students experienced their first Melbourne Cup race at St Patrick’s. Alana from 502 made a fantastic jockey and Darcy from 405 was our dice thrower.

While we kept the race competitive, Year One was first to cross the finish line this year.

Better luck next year!
