They are off and racing! Even our staff and students got behind this year’s Melbourne Cup fashion parade! This week students were busy with tests, engaging in patterns and numbers, investigating algebra, receiving more awards for their efforts and hard work, Mr Ray Ellis from Griffith Bus Lines visited the students at assembly, fantastic art work displayed in classrooms, students reading to teachers, morning fitness program that involved skipping and we welcomed student teachers from Charles Sturt University. Now, That is the spirit of St Patrick’s!
