Year 6 News

This term in Year Six students are studying a unit of work on Global Connections. This HSIE study has also been integrated into English. Students are analysing and responding to a range of multi-modal texts such as picture books, websites, novels and videos.

It is interesting looking at ways in which Australia is interconnected with other nations while exploring global issues including war and peace, poverty, extreme weather conditions and refugee experiences.

We are all excited and looking forward to our final five weeks at St Patrick’s Primary School.
