Perfecto Percussionists

In 104 we have the best musicians in all of Griffith!

We can play a variety of tunes in our percussion band which will leave you spellbound. There is a crash of cymbals, a deafening drum beat, a trill of triangles, a cacophony of castanets and a triumphant tempo of tambourines!

All of 104 are trying hard to put together a couple of little numbers for you to enjoy very soon.

We will keep you updated.

We also have eaten the beans which we grew in our garden. Thank you Miss Watkins for helping us to get our garden started. We discovered that inside the beans were more beans!!! Yummy.
