Visits Around Our School!

We have lift off! Wow what a week!

Students participated in the annual swimming carnival, new Year One and current students enjoyed the playground before classes commenced, Year two student brought their treasures to school, new families began their journey at St Patrick’s and our Kindergarten students enjoyed their first few days at school and Ms Spokes celebrated her birthday in true style. Parents met with other parents over a cuppa and hugged their children at the end of the day-sharing their love!

A fantastic week!
