

Vision

Sharing the Good News inspires our learning through Faith, Hope & Love.

Mission

At St Patrick's Primary School we share the journey toward this vision as a community of ...

Faith ... *by knowing Jesus and living His message.*

Learning... *by empowering and engaging all learners.*

Care... *by promoting the dignity and uniqueness of each person.*

Service... *by living and witnessing to the example of Jesus, who came to serve (and) not to be served.*

Stewardship... *by nurturing our relationship with creation through an ethical commitment to safeguarding the world's people and resources.*
