Principal’s Message

‘We must restore hope to young people, help the old, be open to the future, spread love. Be poor among the poor. We need to include the excluded and preach peace.’

Pope Francis

WELCOME back for the ‘home run’ which is Term 4. I trust that you had the opportunity to spend some quality time with your family.

I know that many of our students are enjoying being able to wear their summer uniforms. We were thrilled to see so many of our students excited to share their holiday news and to be reunited with their classmates.

Term 4 is a very busy term in most schools around Australia. St Patrick’s is no different. We will celebrate our Grandparents next week, Year 5 students will head off to Ballarat for their excursion, Year 6 will continue their Transition to High School this term, as well as our own Transition to school program which began last week - just to mention a few of the activities in store.

How exciting it was to welcome our new Kindergarten students of 2018 last Thursday. The sheer joy and anticipation on their faces was a joy to behold. We will have 3 Kindergarten classes again next year. Kindergarten enrolments are still open.

RESILIENCE PROJECT
Our teachers are continuing to make this a focus in their classrooms. Please take time to talk to your children about the 3 major qualities of:

- GRATITUDE
- MINDFULNESS
- EMPATHY
SCHOOL FEES
A reminder that all school fees are now overdue. If you are experiencing difficulty paying your fees please do not hesitate to contact the school office. **It is the expectation that all fees will be paid.** We are advised by the Catholic Schools Office that all unpaid fees that are unexplained need to be referred to the debt collection agency. We will begin this process later this term if school fees remain unpaid. Payment plans are available for those families who would like to avail themselves of this facility. We would like to thank all our families who have been so prompt with their payment.

INNOVATION GRANT
Recently, St. Patrick’s applied for an ‘Innovation Grant’ from the Catholic School’s Office. We are very excited to announce that our application was approved and we have received 12 Spheros and 15 Bee-Bots. The Sphero is a tennis ball sized robot, that can be controlled via a mobile device or tablet, while the Bee-Bot is a much simpler, programmable floor robot that has been purpose-built for students in the Early Years. As we begin to use these devices, students will learn to program, design and create code, while also learning to think critically, collaborate and problem solve. These devices mark the beginning of our journey to incorporating coding and robotics in the classroom and will transform teaching and learning for our 21st century learners. We look forward to sharing our learning with you.

GRIFFITH MULTICULTURAL FESTIVAL
Many thanks to Mrs Cath Catanzariti for organising a group of year 6 girls to perform last Saturday at the Griffith Multicultural Festival. These girls did our school proud (as did Mrs Catanzariti).

Thanks Cath for giving up your own time to prepare the girls.

DIWALI
Diwali, or Dipawali, is India’s biggest and most important holiday of the year. The Festival gets its name from the row (avail) of clay lamps (deepa) that Indians light outside their homes to symbolise the inner light that protects from spiritual darkness.

We wish all our Indian families a very happy Diwali.
Stay Smart Online Week

A week dedicated to building cyber safe communities

National Stay Smart Online Week is a week where we encourage everyone to be smart, safe and responsible when using digital technology. It creates awareness, solutions and ideas for community education on issues of cyber safety, bullying and wellbeing online, and offline.

Sandra Campbell
Principal

News from the AP/REC

This term each grade level is beginning to implement the Resilience Project in action! Each day will be structured to include some agreed practices that will be embedded into everyday class routine. The day will begin with the students walking into class to music where they will be encouraged to sing, dance and laugh. *(Setting the day up for success)* Throughout the week the students will be asked to keep a ‘Gratitude diary’ to help them reflect on the things that went well for them in the day. This will encourage students to identify the things that they can and should be grateful for. Each day the school will be placing an announcement over the loudspeaker at 2:15pm as the children return from afternoon tea playtime to signal a short 5 minute mindfulness meditation session. Each grade is invited to meditate with the rest of the school at this time. Some grades may choose to do this at a time more suitable to them. The week will then be celebrated by the school at Friday Assembly where our Social Justice Leaders will invite and prepare students, teachers and parents to share the things that they are grateful for that week. Below is a poster that is being displayed around the school and in the classrooms to remind us of our commitment to the program.
**Grandparents Day and Cake Stall**

After the success of last year’s celebration, we would like to invite all grandparents and parents to join us this Friday 20th October at 10:00am to help us celebrate Grandparent’s Day! You are firstly invited to spend some time in class with your grandchildren where there will be some activities prepared for you to engage with the children’s learning. At 11:00am we will have a picnic lunch where the school will share some quality family time with our amazing grandparents. Parents and grandparents are welcome to bring food to share with their children. Please avoid sharing any food with your grandchild’s friends as we must be very aware of allergies and intolerances.

Year 6 will have a cake stall set up outside the library to help raise money for their end of year commitments and celebrations. Please visit the cake stall and enjoy some of the delicious food that will be for sale!

![Handprints with text: Happy Grandparent's Day!]

**3 Way Conversations**

Throughout the week St Patrick’s will be conducting 3 Way Conversations to share the achievements of your child, talk about some areas for development and set specific goals to help your child grow and develop as an independent thinker and learner. There is still time to book an appointment with your child’s teacher. Bookings can be made through SOBS on our home page.

![Parent / Teacher Interview Bookings]

Michael Morrell
Sport News

Welcome back to Term 4. This Monday, just gone, we began a four week tennis program, organised through Sporting Schools and provided by Daniel Dossetor. All grades, except for Year 5, are participating in sessions on Mondays or Fridays, for their sport lesson.

The students will also be learning touch skills for a NSW Touch Gala Day, in Griffith on Thursday, 26th October. All students from Years 2-6 will be participating. It should be fun skill-based day. Currently there will be approximately 700 students participating. Our school is organising the canteen for the day so the Canteen ladies would really appreciate some help as it is a great fundraising opportunity for St. Patrick’s. The day commences at 10:00am at Ted Scobie Oval, Collina, and is expected to end by approximately 2:00pm. Parents are most welcome to come along and may like to assist with managing a team with the teachers.

We wish Mason Rosengreen all the very best as he heads to Sydney this week to compete in the 200m event at PSSA Athletics Carnival. Do your best and enjoy this wonderful experience. We’ll be thinking of you.

Take care

Maryanne Dodd

FROM THE P&F

We’re holding the *CUA School Fun-Run* as a major fundraising event this year! The event will be held on **17 NOVEMBER** and we will be making our fun run a colour run. This is a sponsorship based fundraiser, and we’re looking to raise as much money as possible to HELP COVER SOME OF THE COSTS OF THE NEW PLAY EQUIPMENT GIVEN THE OLD FORT HAD TO COME DOWN.

The *CUA School Fun-Run* is a healthy fundraiser that we hope you’ll get behind. The event sends the right message to students about having fun while getting involved and being active.

We’re looking for all students to participate and we’re organising a great day for our school, so we’d love our parents and friends to come down on the day. It will cost each child $5 to participate and this will help cover the costs of purchasing the paint. Please send your child’s $5 (clearly marked) in to their class teacher.

Keep your eyes peeled for the sponsorship forms which were sent home with your child on the last day of last term and there has already been an information sheet posted on the Skoolbag App. Students who raise $10 or more will receive a reward and just by jumping online, your family has the chance to win a $30,000 Ultimate Family Experience!

We will be sending regular reminders and information out over the coming weeks, so please keep an eye in the Newsletters, Skoolbag App and Facebook Page. To **set up an online student profile**, please visit [www.schoolfunrun.com.au](http://www.schoolfunrun.com.au) and let’s start fundraising!

Thanks for supporting your child’s wellbeing and we hope to see you at school for the event. Please let us know if you are available to volunteer on the day. It’s sure to be a day filled with fun and laughter. If you have any queries, please email us at stpatspandf@gmail.com

Thank you.
# Fun run – update (at 15/10/2017)

Celebrate NSW Grandparents Day

Let’s celebrate grandparents and older people for all they give to their families and communities!

Please join us

Griffith Shed for Men
Kid’s Woodworking Action Day and BBQ Lunch
Lot 560 Kalinda Road, Griffith
10am - 2.30pm

Sunday 29th October 2017

Find out more at grandparentsday.nsw.gov.au
Interactive Workshop for

Teachers, Parents, Families and others interested in Autism Spectrum Disorder, Asperger’s Syndrome, Autism

Strategies for

Sharing the ASD Diagnosis with others and Transitions to School and High School

Do you want to know more about....?

✓ Helping the family understand the child's diagnosis
✓ Explaining the diagnosis to peers in the classroom
✓ How to explain ASD to parents, family, and friends
✓ Supporting siblings after the diagnosis
✓ How grandparents can provide support
✓ How partners can support each other

Do you want to know more about....?

✓ How to make successful transitions to:
  o School or high School
✓ Setting the student and school up for success
✓ Using planning tools successfully
✓ Recognising and measuring successful transitions
✓ The roles of family, teacher, principal and school in a transition program
✓ The importance of reciprocal communication

Professional development standards (3 hours)
Standard 1, Standard 2, Standard 3

Then this is the workshop for you. It will be full of practical examples and strategies that can be used in and around your home as well as when you are out and about. It will leave you with a better understanding of behaviour and how it is related to your students' needs

Consultant, author and speaker... Anna Tullemans

Anna Tullemans is a consultant and author in Autism Spectrum Disorders and has been working closely with schools, teachers and parents, writing and implementing programmes for students with ASD. She is the author of ten books on strategies for teachers, parents and students.

Anna conducts teacher training workshops and regularly presents throughout Australia and a variety of international locations including England, Hong Kong, Emirates, New Zealand, Dubai, Hawaii and Brunei. She presents conferences and seminars on everyday inclusion and behaviour strategies that are successful. Her experiences from both sides of education organisations have fuelled her passion for sharing and communicating information and strategies on Autism Spectrum Disorder; to teachers and parents throughout all education systems.

To register for this workshop please see next page or call Anna on: ☎ 0419 168 742

Where: Griffith Exies Club
Jondaryan Ave, Griffith
